

# Fragrance safety testing for 4160Tuesdays Ltd

Thanks for testing our fragrances.

1. This is really serious, so please take your time over it, and test one scent at a time.
2. We need this data for our records, and to keep into our files to show the EU that we take our safety seriously.
3. We'll be asking some nosy questions, but that's only to show that we've tested on different kinds of skin. Your answers are anonymous and will be kept separately from your name and address.
4. It is very unlikely that you'll have a bad reaction to the fragrance as it follows all the current legislation, but if you do, please wash it off with water straight away and let us know.
5. When you've finished testing, please put the finished forms in the envelope and post it back to us. We will separate them from this one.
  - For every 5 forms, we will send you an 8ml bottle of a 4160Tuesdays fragrance of your choice. £10 worth.
  - For every 10 forms we will send you an 18 ml bottle. £20 worth.
  - For 15 forms you get 30ml. £40 worth.
6. Let me know if you'd like to cash in your credits at 5, 10 or 15 or if you'd like a combination of bottles. (You could go for three x 8ml if you like.)
7. Some of the fragrances are new and not yet on the market, but they aren't secret exactly, so you're allowed to talk about them and share them, if you like. Your friends can test them too, and download forms to fill in from our website.

Return forms to: Sarah McCartney, 4160Tuesdays Ltd., 8 Issigonis House, Cowley Road, London W3 7UN

If you would like a perfume reward for doing this, please fill this in and post it back with as many of the forms as you've managed to complete. If you'd like to do more, you can download the pdf from our site, or we'll post you some with our samples.
